J ALE	Alexander, Lloyd	Time Cat
Gareth's definitely not an ordinary cat. For one thing, he can talk. For another, he's got the power to travel through time- 'Anywhere, any time, any country, any century,' Gareth tells Jason. And in the wink of a very special cat's eye, they're off. From ancient Egypt to Japan, the land of young Leonardo da Vinci to the town of a woman accused of witchcraft, Jason and Gareth are whisked from place to place and friend to foe. Full of fun, excitement, and a good dose of history, here's a fantastic tale that grabs the imagination and takes it far and wide, on the adventure of not one but nine amazing lifetimes.		
J BAG	Baggott, Juliana	The Prince of Fenway Park
Twelve-year-old Oscar Egg knows all about the curse of the Boston Red Sox. The Red Sox have not won a World Series since Babe Ruth was traded in 1919. What he does not know is that his adoptive father is a part of that curse. He is one of the cursed creatures that live below Fenway Park. When Oscar is left to stay with his father for a few weeks, he meets the other creatures who are part of his Dad's world: the three aunties--Auntie Fedelma, Auntie Gormley, and Auntie Oonagh--the Weasel-Man, the Smoker, and the dangerous Pooka. Oscar and the creatures soon realize that Oscar has a gift for reading codes; they believe he is the boy who can break the curse.		
J BAL	Baltazar, Armand	Diego & the Rangers of the Vastlantic (Timeless)
You've never seen Earth like this before: continents reshaped, oceans re-formed, cities rebuilt, and mountains sculpted anew. Dinosaurs roam the plains alongside herds of buffalo, and giant robots navigate the same waters as steam-powered ships. This is the world Diego Ribera was born into. The past, present, and future coexisting together. In New Chicago, Diego's middle school hallways buzz with kids from all eras of history and from cultures all over the world. The pieces do not always fit together neatly, but this is the world he loves. There are those, however, who do not share his affection. On his thirteenth birthday, Diego learns of a special gift he has within, a secret that is part of something much bigger – something he cannot understand. When his father, New Chicago's top engineer, is taken by the Aeternum, Diego must rescue him and prevent this evil group from disrupting the fragile peace humanity has forged.		
J BAR	Barrows, Annie	The Magic Half
Eleven-year-old Miri Gill feels left out in her family, which has two sets of twins and her, until she travels back in time to 1935 and discovers Molly, her own lost twin, and brings her back to the present day.

The Stolen Summers (Time Tracers)

Taj Carter is the kind of kid who has a good time, all the time. He's the class clown. The best friend. The cool big brother. That is, until he wakes up on what's supposed to be the first day of vacation only to find that his entire summer is gone!

But if that seems like a total nightmare, it's actually the least of Taj's worries. He discovers that the time didn't just fly by, it was stolen. By time thieves! And now they're after way more than just one kid's summer break. They're after all the fun on earth, and it turns out Taj is the key to getting it. He has a target on his back and not a moment more to lose. It's up to Taj to find a way to get back his summer – and to save the world from falling completely off the clock.

Buckley-Archer, Linda

Gideon the Cutpurse (The Gideon trilogy)

1763.

Gideon Seymour, cutpurse and gentleman, hides from the villainous Tar Man. Suddenly the sky peels away like fabric and from the gaping hole fall two curious-looking children. Peter Schock and Kate Dyer have fallen straight from the twenty-first century, thanks to an experiment with an antigravity machine. Before Gideon and the children have a chance to gather their wits, the Tar Man takes off with the machine -- and Kate and Peter's only chance of getting home. Soon Gideon, Kate, and Peter are swept into a journey through eighteenth-century London and form a bond that, they hope, will stand strong in the face of unfathomable treachery.

Also in the Gideon trilogy: *The Time Thief; The Time Quake.*

J BUZ

J BYN	Byng, Georgia	Molly Moon's Hypnotic Time Travel Adventure
<p>Molly Moon returns . . . and bumps into earlier versions of herself -- four of them, to be exact -- all kidnapped and transported back in time to nineteenth-century India by Molly's most fearsome nemesis yet, an insane maharaja. Molly foiled his plans once already, by stopping Primo Cell from becoming president of the United States. This time around, the maharaja is determined to alter the course of history. The only thing standing in his way is Molly and her brave pug, Petula...</p>		
J COT	Cottrell Boyce, Frank	Chitty Chitty Bang Bang and the Race Against Time
<p>When the Tootings return to Zobrowski Terrace at the end of Chitty Chitty Bang Bang Flies Again, they find that "home" is looking a lot like Jurassic Park. But this is no theme park - a very real and very hungry T. rex is charging them! Thanks to Dad's inadvertent yanking of Chitty's "Chronojuster" lever, the spirited car has ushered them back to prehistoric times, where the family (and especially Baby Harry) make a narrow escape. But Chitty has a mind of her own, and the Tootings will get an unexpected tour of exciting times and places from Prohibition-era New York (where Chitty wants to compete in the famous Prix d'Esmerelda's Birthday Cake race) to the lost city of El Dorado and back again, with misadventures and surprise stowaways along the way.</p>		
J DIV	Divakaruni, Chitra Banerjee	The Mirror of Fire and Dreaming
<p>In a pristine valley hidden in the Himalayas, Anand has a disturbing vision. His mentor and spiritual guide, the Master Healer Abhaydatta, is apparently in grave danger. What should he do? If he conveys this information to his elders, he'll waste precious time. But is it wise to take matters into his own hands?</p> <p>Anand makes his choice and embarks on a spectacular adventure that takes him not only across contemporary India but also several hundred years into the past to the time of the Moghul rulers. There he encounters powerful sorcerers, a haughty and arrogant prince, and a jinn capable of unspeakable magic.</p>		
J DOW	Downey, Jen Swann	The Accidental Keyhand (The Ninja Librarians)

J LEN

L'Engle, Madeline

Many Waters (The Time Quintet)

Sandy and Dennys have always been the normal, run-of-the-mill ones in the extraordinary Murry family. They garden, make an occasional A in school, and play baseball. Nothing especially interesting has happened to the twins until they accidentally interrupt their father's experiment.

Then the two boys are thrown across time and space. They find themselves alone in the desert, where, if they believe in unicorns, they can find unicorns, and whether they believe or not, mammoths and manticores will find them.

The twins are rescued by Japheth, a man from the nearby oasis, but before he can bring them to safety, Dennys gets lost. Each boy is quickly embroiled in the conflicts of this time and place, whose populations includes winged seraphim, a few stray mythic beasts, perilous and beautiful nephilim, and small, long lived humans who consider Sandy and Dennys giants. The boys find they have more to do in the oasis than simply getting themselves home--they have to reunite an estranged father and son, but it won't be easy, especially when the son is named Noah and he's about to start building a boat in the desert.

Also in this series: *A Wrinkle in Time; A Wind in the Door; A Swiftly Tilting Planet; An Acceptable Time.*
