Location	Author	Title
<b>YA ALT</b>	Altebrando, Tara	<b>The Leaving</b>
	<p>Eleven years ago, six five-year-olds went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mother she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max. He doesn't come back. Everyone wants answers. Most of all Max's sister Avery, who needs to find her brother - dead or alive - and isn't buying this whole memory-loss story.</p>	
<b>YA AND</b>	Anderson, Jodi Lynn	<b>The Vanishing Season</b>
	<p>Girls started vanishing in the fall, and now winter's come to lay a white sheet over the horror. Door County, it seems, is swallowing the young, right into its very dirt. From beneath the house on Water Street, I've watched the danger swell.</p> <p>The residents know me as the noises in the house at night, the creaking on the stairs. I'm the reflection behind them in the glass, the feeling of fear in the cellar. I'm tied – it seems – to this house, this street, this town.</p> <p>I'm tied to Maggie and Pauline, though I don't know why. I think it's because death is coming for one of them, or both.</p> <p>All I know is that the present and the past are piling up, and I am here to dig. I am looking for the things that are buried.</p>	
<b>YA ARM</b>	Armentrout, Jennifer	<b>Don't Look Back</b>
	<p>Samantha is a stranger in her own life. Until the night she disappeared with her best friend, Cassie, everyone said Sam had it all - popularity, wealth, and a dream boyfriend.</p> <p>Sam has resurfaced, but she has no recollection of who she was or what happened to her that night. As she tries to piece together her life from before, she realizes it's one she no longer wants any part of. The old Sam took "mean girl" to a whole new level, and it's clear she and Cassie were more like best enemies. Sam is pretty sure that losing her memories is like winning the lottery. She's getting a second chance at being a better daughter, sister, and friend, and she's falling hard for Carson Ortiz, a boy who has always looked out for her - even if the old Sam treated him like trash.</p> <p>But Cassie is still missing, and the facts about what happened to her that night aren't just buried deep inside of Sam's memory - someone else knows, someone who wants to make sure Sam stays quiet.</p>
