

Alphabet Find Game

This Alphabet Find Game is like Hide and Seek with letters. The game is great for practicing letter recognition and it also great physical activity for kids.

Supplies Needed

- Construction paper
- Black marker
- Tape

Directions

- Cut your paper in half and write a single capital letter on each half sheet.
- Walk around your home and tape the letters to the walls in random order. Make sure to spread them out and mix them up. Also, hang them at eye level for your children.
- Sit in a central location and call out letters. Each time you call a letter, have your children run around your home looking for it. When they find the letter, they touch it and race back to you.
