

Cheerio Bird Feeder Craft

What you'll need:

- Pipe cleaners
- Cheerios
- A piece of yarn to hang the feeder

Directions:

1. Bend one end of a pipe cleaner to keep the cheerios from falling off.
2. Put cheerios on the pipe cleaner until it is nearly full.
3. Bend the pipe cleaner into a circle, or another shape, and twist both ends of the pipe cleaner together at the top to secure. Repeat and attach the shapes together until you have a string of different shapes filled with Cheerios.
4. Tie a piece of yarn to the top of the feeder and hang it in a tree for the birds to enjoy.
