

## Please Follow Our New Rules as We Reopen

1. **Masks are required to be properly worn at all times while in the building.** Help us keep the community as well as our staff safe and healthy. Should members of the staff become infected with COVID-19, the Library will need to close for deep cleaning and may see future public access to the building restricted.

2. While masks are required throughout your visit, for those with concerns, Library staff will be able to assist everyone with browsing our collections via video or standard phone call.

3. For persons who do not feel comfortable entering the building, curbside service and pickup of materials will continue for the foreseeable future.

“It was good to walk into a library again; it smelled like home.”

ELIZABETH KOSTOVA

**Dexter District Library**  
3255 Alpine Street  
Dexter Michigan 48130  
734-426-4477  
[www.dexter.lib.mi.us](http://www.dexter.lib.mi.us)

**OPEN**

**We are pleased to announce  
that we have reopened!**

**Welcome Back to  
Dexter District Library  
Inside Browsing and  
Curbside Service Hours:  
Monday through Friday  
10:00 am to 7:00 pm  
Saturday  
10:00 am to 2:00 pm**

In order to keep everyone healthy and ensure the Library remains open, please observe the following:

- **Return all materials to the outside return bins** to help us with our quarantine process. Inside return boxes will be closed.
- **A face covering will be required for entry and throughout your visit.** Help us keep everyone healthy. Spread of COVID-19 to staff will require the Library to close.
- **Capacity limits will be in effect.** If the Library reaches capacity, we will ask people to wait for entry.
- **Please maintain appropriate social distancing** of six feet at all times.
- **Be kind.** We are all grappling with ways to cope and the staff truly appreciates your patience.

4. The Library will make every attempt to provide comparable, alternative services, which can be accessed from outside the building.

5. We ask that visitors limit visits to 30-minutes inside the building.

6. Access to the Library's computers is available and we are making laptops available for short-term use outside the building.

7. Due to the need to store furniture and the inability to properly social distance in certain spaces, meeting rooms, small group study rooms and the silent reading room will be unavailable.

8. Printing, faxing and copying services are available, free and have daily limitations. These services are also available remotely from our parking lot.

9. Patrons are asked to observe all floor markings and refrain from entering staff areas.

10. Service hours and building access are subject to change, depending on evolving public health conditions and State restrictions.

11. **Parents**, please keep children close to your family group during your visit. Parents with **children under the age of two or children who are not able to keep a mask on**, the Library does require masks for all visitors, regardless of age and throughout the duration of each visit. For very young ones, please bring a detachable car safety seat, baby carrier or stroller which can be covered by a blanket or a rain shield during the entirety of each visit.

12. Curbside service may be limited during inclement weather.

We look forward to seeing everyone back in the building and returning to a closer sense of normal.

**WE'RE** in this  
**TOGETHER**
