DRAFT -Meeting Minutes**

May 2, 2022

7:00 p.m.

Members present: Barbara Davenport, Martha Gregg, Cassy Korinek, James LaVoie
Donna Palmer, Sherry Simpson

Members absent: Rosemary Quigley, Shelly Vrsek

Others present: Alisa Doddie, Lake Trust Credit Union
Paul McCann, Library Director,
Kim Swoverland, Recording Secretary

In President Vrsek's absence, Vice-President Simpson called the meeting to order at 7:05 p.m.

Simpson called for additions/changes to the presented agenda. Palmer moved to approve the meeting agenda as presented. Second by Gregg. A voice vote was taken. Aye=all, nay=none, absent=2. Motion carried.

Simpson called for corrections to the minutes of the April 2022 regular Board Meeting. No corrections were requested. LaVoie moved to approve the minutes from the April 4, 2022 regular Board Meeting as presented. Second by Palmer. A voice vote was taken. Aye=all, nay=none, absent=2. Motion carried.

Public Comment: Alisa Doddie introduced herself as a community member who is working to get an initiative on an upcoming ballot for Michigan voters. Doddie is seeking to get signatures on a petition organized by Michiganders for Fair Lending. The petition calls for a law to reduce allowable interest rates on loans to no more than 36% and would assist in disrupting the predatory payday loan industry. Doddie plans to seek petition signatures during the upcoming Friends of the Library Book Sale and invited Library Board members to join her. The Board expressed their appreciation for the information presented. Doddie exited the meeting at 7:19 p.m.

Consent Agenda: Simpson called for consideration of the Consent agenda, including the following: Library Director's narrative report, Friends of the Library report, balance sheets, Michigan Class report, Library statistical report, committee meeting minutes, items from other entities, and patron comments. Davenport moved to approve the Consent agenda. Second by Gregg. A roll call vote was taken. Davenport=aye, Gregg=aye, Korinek=aye, LaVoie=aye, Palmer=aye, Simpson=aye, absent=2. Motion carried.

Treasurer's Report: McCann presented the current Treasurer's report. The paid bills for April 2022 were reviewed. Gregg moved to approve the bills paid during the month of April 2022. Second by LaVoie. A roll call vote was taken. Davenport=aye, Gregg=aye, Korinek=aye, LaVoie=aye, Palmer=aye, Simpson=aye, absent=2. Motion carried.

Budget Changes: McCann explained the outdoor sculpture being purchased in memory of Pat Cousins would be an appropriate expenditure to put into the Capital Outlay line of the budget. To do so, a budget change would be necessary. Davenport moved to allocate \$5,600.00 from unbudgeted income over expenses to line item 101-901-970 Capital Outlay Improvements to cover the cost of purchase and installation of the sculpture "Summer," increasing that line's budgeted balance from \$21,000 to \$26,600. Second by Korinek. A roll call vote was taken. Davenport=aye, Gregg=aye, Korinek=aye, LaVoie=aye, Palmer=aye, Simpson=aye, absent=2. Motion carried.

Reimbursements: None.

Personnel: Library staff reaching their anniversary date of hire in the month of May include Adult Reference Librarian, Amy Johnson (13yrs) and Circulation Assistant, Sandy Colson (16yrs). Wage increases for both were included with the January 2022 wage rate adjustments and therefore no Board action was necessary. McCann announced the resignation of Adult Reference Librarian, Emily Murphy, and the return of Adult Reference Librarian, Deborah Bigelow who has been on an extended leave. Additionally, the Library will be re-hiring a Library Page, Olivia Fitzgerald, who will be doing a combination of Page duties and assisting at Circulation when needed. Palmer moved to approve the re-hire of Olivia Fitzgerald at a starting wage of \$10.50/hr. Second by Davenport. A roll call vote was taken. Davenport=aye, Gregg=aye, Korinek=aye, LaVoie=aye, Palmer=aye, Simpson=aye, absent=2. Motion carried.

Old Business:

Regarding the memorial for Patricia Cousins, the selected sculpture is intended to be installed prior to the May 14, 2022 event in her honor. The tulip bulbs planted in the terrace area are growing and will hopefully bloom at just the right time for the event.

In the Fall of 2022, the Library will be asking voters for a millage renewal. McCann is in communication with Library attorneys regarding the exact ballot language. McCann provided the Board with a Position Statement regarding Tax Capture approved by the Library Board in January of 2018 that recommends exempting future millages from DDA capture.

Regarding expiring trustee terms, the Library's attorney is verifying legal options to secure staggered term expirations.

New Business:

The Library Policy Committee recently discussed COVID-related capacity restrictions for meeting room spaces and is recommending to the board for those restrictions to be lifted. McCann presented the Temporary Policy for Indoor Library Programming, Events and Room Use with the adjustments as recommended by the Policy Committee. An edit for clarification was suggested, to make it clear the capacity limits being suspended do not apply to Fire Marshal capacity limits. Davenport moved to approve the amendments to the Temporary Policy for Indoor Library

Programming, Events and Room Use as presented with the suggested edit included. Second by Korinek. A roll call vote was taken. Davenport=aye, Gregg=aye, Korinek=aye, LaVoie=aye, Palmer=aye, Simpson=aye, absent=2. Motion carried.

Public Comment: None.

Board Member Comments and Questions: A question was asked about the fans in the Lower Level and in other areas of the Library. McCann explained they were grant-funded and supplied by Ford Motor Company. The filters under the fans are of high quality that remove viruses from the air and therefore reduce the risk of virus transmission in the Library. There was discussion about the AIA architect display in the Lower Level, and discussion regarding TLN. The “fine-free” trend among libraries was also briefly discussed. McCann is attempting to gather statistics to see how eliminating fines changes circulation patterns and if it actually decreases or increases the number of card-holders in delinquent status.

Adjournment: Having completed all items on the agenda, the meeting was deemed adjourned by consensus at 8:48 p.m.

Respectfully submitted,

Barbara Davenport,
Secretary

Kimberly Swoverland,
Recording Secretary

Director's Report

June 2022 Library Board meeting

The previous Board meeting was held on Monday, May 2, 2022. The Library was closed Sunday and Monday, May 29 and 30 in observance of Memorial Day.

We will need to discuss scheduling a brief Board meeting during July to approve the ballot language for the November election. The standard July meeting was not scheduled on the calendar. Information is out to our attorney, but we will not have the language for approval at the June meeting. The ballot language must be submitted to the County by August 2. While we do have a Board meeting scheduled for August 1, lack of a quorum could prevent approval.

The gathering in memory of Pat Cousins was held on Saturday, May 14. The event was very well attended with over 150 people visiting to pay respects to the family. The sculpture was installed earlier in the week. Placement on the terrace was recommended by the company and concurred by Joy Naylor. Representatives noted that between tree roots and soil disturbance, there was the good likelihood the sculpture would settle unevenly and the terrace base would ensure a level presentation. The sculpture can be moved (for a fee) and resituated at a later date at the Board's discretion. The plaque was received and installed after the event. Unfortunately, the weather did not fully cooperate and it did rain during the afternoon of the event. A number of people were able to go out and view the sculpture, but many viewed it from the windows in the meeting room. The memorial fund fully paid for the sculpture and the plaque with funds left over. The Facilities Committee will need to discuss further use of the funds.

May 14 was a very busy day at the Library. In addition to the gathering for Pat Cousins, the Library hosted the monthly Mindful Meditation in the morning and Kinderconcert with the Ann Arbor Symphony at noon. This marked the most people the Library greeted in one day since the start of the pandemic. The door counter registered 504 visitors in a single day.

This year's AIA (architect) display was cut short. The display system used by the Huron Valley architects' association is getting old and has been broken and repaired in the past. Unfortunately, it was moved and damaged beyond our ability to fix it locally. While we tried, we need the group to come and remove the display early.

It was a light month for community groups using the lower level meeting room space during the month. The Rug Hookers, the Friends of the Library, WAVE (Washtenaw Area Value Express bus service) and the Cross-border Weavers. Kim Swoverland reports there were a few groups which asked about scheduling, but encountered conflicts with either previously scheduled Library programs or other outside groups or asked for times before or after the Library was open. Kim reports that overall requests for use are down significantly.

While we are seeing increased foot traffic over last year at this time, the door counts show a major drop in foot traffic from pre-pandemic levels. With less demand for the meeting room space, we are seeing a 35-40% drop in foot traffic from pre-pandemic levels. With the number of in-person events scheduled for this summer, it will be interesting to see if we can recoup visitors to programs and see increased

meeting room use. This will be a topic for strategic planning as we move forward and may have an impact on our millage renewal.

General borrowing of materials has rebounded to pre-pandemic levels. Circulation of items to date during the current fiscal year is 9% above the cumulative number as of May, 2019 and 8% above this point in 2018. We are 0.6% below the number for 2017 and 3.4% below our checkout rate for 2016, but we have essentially regained the plateau we were achieving prior to the pandemic. We have retained the members of the public who were using our collection.

The initial screen group for the 2023 Washtenaw Reads community reading program began meeting in May. The group has had two meetings and fielded over 100 public and librarian title suggestions in the initial round.

The Finance Committee met on May 19 to begin discussions of the 2022-23 budget. The initial meeting centered on the income portion of the budget. Recently received taxable value and Headlee rollback calculation indicate the Library will see an approximate increase in millage income of 4% for the next fiscal year. This is primarily due to increased home sale prices during the pandemic.

While a complete plan has not been finalized, Kim Swoverland has indicated she will be resigning from the Library this late summer or early fall in order to prepare to be a grandmother and help provide care for her expected grandchild. Kim has expressed a great willingness to aid in the transition to a new Administrative Assistant. Further details will be outlined as we move through the summer.

Friends of the Library

With the weather improving, the Friends are seeing a little moderation in Book Sale receipts. The May Sale was held on May 7 and the Friends brought in \$1,142.25. This was down 32% from the last, pre-COVID May sale in 2019. It was, however, on par with the May, 2018 sale and only down \$120 from that sale. The Friends seem to be struggling a bit with commitments and cancelations for book sale volunteering. For the June sale, several e-mails went out requesting a new volunteer when one canceled. The Friends Board will next meet on June 28.

Youth Department

This May the Youth Department has been busy connecting with many children through Story Time, Preschool Library Field Trips and Librarians visiting the elementary and middle schools to promote the Summer Reading Program, as well as continuing to present a variety of programs and activities at the Library. Spring Story Time sessions wrapped up the second week of May and had a total of 172 participants for those two weeks. Virtual Story Time was offered twice in May with a total of 10 devices watching the live-only Virtual Story Time (adjusted total is 25 participants.) KinderConcert came and performed this month for 21 participants and 10 people attended a Mother's Day craft program. The three youth book clubs combined had a total of 29 participants. We had a Pet-themed Take and Make Craft this month and gave out 310 craft bags. Morning Star Preschool had 79 people visit the Library in three separate groups for a field trip. Librarians started to visit schools at the end of the month to

promote the Summer Reading program. The first four days of school visits we reached over 370 excited students from 17 classrooms.

The Teen Department had a May the Fourth passive program Trivia contest and 12 people returned Star Wars themed quizzes. The Teen Department also offered a Take & Make self-care kit, which was very popular with 50 tweens and teens taking the kits. The two book clubs combined had a total of 4 participants this month. The Teen/Tween department offered two more in-person programs this month – Magic the Gathering and Teen Advisory Group. These programs had a combined total of 13 participants. The Teen / Tween Librarian also visited 20 classes at Creekside to promote the Summer Reading Program and reached over 480 students.

Circulation Department

The Circulation Department saw two changes during the month. As approved at the May Board meeting, Olivia Fitzgerald returned for a summer page position with some additional duties. Olivia's prior work was outstanding and she has been moved to a backup position for the main circulation staff, assisting with daily drop box clearing and return of materials. Additionally, Mary and Paul interviewed for an additional, permanent circulation services clerk. We will be offering the position to Julia Janosi, a long-standing community member. Julia has many years of customer service experience through Michigan Medicine, has retired from the university and is looking for a part-time position in the community. Even though the foot traffic is still down at the circulation desk, the staff have stayed busy linking new material, processing magazines, dealing with all the bins of items that TLN delivery service brings every day, helping the patrons that come in, and assisting Paul in weeding the DVD collection. With the Library book sales on the first Saturday of the month and the Farmer's Market on Saturdays, Saturday mornings can be busy at the circulation desk. We know that with the end of school approaching many more children will be coming into the library for the summer reading program. We look forward to a busy summer at the library.

Adult Services

In May, 7 programs were held on-site, 2 programs on Zoom and 1 program was hybrid. Virtual events were a mixed bag with a good response for the program on cocktails Tammy's Tasting: Born in the USA having 20 attendees, but only four participating in the Reel Talk Movie Discussion program. The hybrid (in-person and online) monthly Mindful Meditation also saw online participation decline. The event had 11 in-person and 3 online attendees. In-person programs continue to see good attendance numbers with Card Making Workshops attracting 46 attendees over two sessions and Exploring the Features of FamilySearch genealogy program attracting 28 participants. Book discussion programs and movies generally attracted around 10 participants.

Technology Services

During the month, Scott Wright replaced the bookkeeping computer and installed a newer version of QuickBooks on the new hardware. He also ordered, wrote directions for, and configured a FastFoto

680w photo scanner. (This machine can bulk scan old up to 20 photographs a minute at archival quality. Patrons can begin using it inside our computer lab this June.) He configured and wrote directions for Biscom e-faxing. We had to make the switch to electronic faxing due to AT&T removing copper phone lines in the area. Five technology classes were offered including sessions on Canva.com, Shopping Online, and Downloadable Library Content. 20 patrons registered and 10 attended.

Maintenance

May was a productive month for maintenance. During this month Matt contacted Ken Cook Plumbing and Heating to get a quote for dishwasher and bottle fill stations on each floor, scheduled and supervised Hopp Electrical coming out to fix pendant lights and staff stairwell emergency ballast lights. Altech Mechanical came in to perform the spring preventative maintenance. Matt contacted and supervised Schindler performing preventative maintenance and resetting the elevator door and scheduled Alan's asphalt to fix a crumbling spot in parking lot using infrared machine. He also scheduled and supervised Duke Roofing making repairs and cleaning out the gutters.

Matt also did lots of cleaning and repair work such as: fixing the booth moulding in the teen room, mulching, seeding grass, mowing and weed-eating outside paying special attention to the back terrace for Pat Cousin's memorial service, maintained the 2nd floor balcony, and gave the silent reading room a fresh coat of paint.

**Finance Committee Meeting
May 19, 2022
-DRAFT-Meeting Minutes**

This meeting was conducted through online video conferencing via Zoom.
The meeting was called to order at 8:49 am.

Members present: Jim LaVoie, Donna Palmer, Paul McCann

Members absent: None.

Others present: Kim Swoverland, Recording Secretary

There was no presented agenda with the only topic of discussion being preparations for the 2022-2023 fiscal year budget.

McCann stated he has received the taxable value figures from Washtenaw County. The Headlee rollback amount is calculated to be .9915 and overall millage income is expected to be approximately 4% higher (about \$70,000) than current fiscal year income. This, however, will be tempered with the current 8% inflation rate plus ever-increasing rates for utilities, books, supplies, insurance, etc.

Income lines in the "Other Income" area of the budget were reviewed. Personal property tax income is projected to be similar to last year's budget. State Aid should be up slightly, based on population statistics showing a growth of approximately 2000 people. Budgeted penal fines from Washtenaw and Livingston Counties will be boosted slightly from the current fiscal year. Gifts from the Friends of the Library will be slightly lower while they recover from 1.5 years of COVID shut-down with no book sales. General gifts/memorials will be budgeted the same as the prior fiscal year. Income from fax services, purchases, fines, and copies will be increased slightly. Interest income is being kept the same; endowment income is being reduced slightly. Overall, the total of income lines is approximately 10% higher than the current fiscal year.

On the expense lines, health insurance costs are expected to have a 12% increase, but due to newer, younger staff members, the budget line for health insurance will be stable. For the wages line, McCann intends to do some more research, but he is thinking overall wage rates may need to be increased in order to attract and retain quality staff. Various staff positions may need to be restructured to best make use of work time. The Facilities Committee is currently looking at RFID tags for materials which could lead to a self-checkout station, which could then possibly result in different staffing patterns. The building supply, building maintenance, equipment repair, and equipment lease lines will be need to be increased over the current budgeted amounts.

The committee will continue to work on the 2022-2023 fiscal year budget at their June and July meetings, with the intent to present the proposed preliminary budget to the full Board at the August 1, 2022 regular Board Meeting. It was suggested for the Board as a whole to do some visioning for the future, some suggested examples might include a possible pergola for the terrace to make that area more conducive for outdoor programming, or a possible community outdoor movie theater.

The meeting was deemed adjourned at 10:18 a.m.

Respectfully submitted,

Kimberly Swoverland
Recording Secretary

2) Review of paid bills from May 2022 – **action item**

3) Budget changes – Allocate \$10,000 from unbudgeted income over expenses to line #101-901-971 – Capital Repairs Annual to cover various repair costs including replacement of the motor for the HVAC return air fan (Altech, \$3,929.28), repair of hot water pump #1 in the HVAC system (Altech, \$3,048.30), sliding entry door repair (Stanley, \$1,542) and rubber roof repair (Duke Roofing, \$715.) This will increase the line's balance from \$0 to \$10,000. – **action item**

4) Reimbursements – none

Notes:

The sliding door repair was covered with the implementation of an annual service contract. Signing the contract was short notice and the interior door was inoperable, so the item is going under Capital Repairs Annual for the current year. Future expenses will fall under line 101-790-930 – Building Maintenance.

The current check run places the Library at 65.4% of the fiscal year progress. The check run processed by WSR on May 31 was dated for June. Checks cut will not appear until the next meeting. The Library's cash holdings will continue to decline through the end of December, 2022. Both the annual and long-term capital maintenance funds are at their target balances.

Millage receipts show on the reports at 96.6% of anticipated income. We have received the detail report of delinquent payout from Washtenaw County, but the ACH transfer has not arrived in the Library's account. The total delinquent is \$61,089.13. Once this is posted, the millage receipts will be at 100.004% of anticipated income.

CD investment rates have seen significant increases over the last month due to increases in the Fed interest rate. Most have climbed from the 0.05% range to the 0.4% range, an increase of approximately 35 basis points. The Michigan CLASS continues to outpace the CDs, with the daily dividend increasing to 0.9152% by the end of May, essentially doubling the return from CD investments.

McCann submitted a signatory amendment form to Michigan CLASS to remove Pat Cousin's name from the account. *pg 38*

Check Register notes:

Altech – check #25994 – In addition to the repairs mentioned in the budget transfer, the semi-annual preventative maintenance charge was paid on this check and posted to line 101-790-930 – Building Maintenance

Madison Electric – check #25980 – restock of various ballasts and battery backups for fixtures

The moth saw a number of programming checks prepared for Summer reading Program events. These are held until the program is complete.

Temporary Policy for Indoor Library Programming, Events and Room Use

The Dexter District Library will attempt to offer indoor programs and use of communal meeting spaces as pandemic conditions permit. For safety during the pandemic, use of enclosed Library meeting spaces and attendance at in-person Library programs may be subject to additional safety measures. Gathering people from different households into smaller enclosed spaces during a pandemic will present a different level of risk than everyday Library use. Individuals will be seated in an enclosed environment for 30 to 90 minutes at a time. The Library will base changes in safety measures on the CDC COVID Data Tracker, located at <https://covid.cdc.gov/covid-data-tracker/#county-view>.

If Washtenaw County is in the High levels of viral spread:

- 1) Registration for all in-person programs will be required and walk-ins will not be admitted. This will help the Library ensure capacity limits are not exceeded and proper social distancing can be maintained.
- 2) All attendees who are medically able to wear face coverings will be required to wear face coverings for the duration on any in-person program.
- 3) The Library has provided additional, in-room ventilation fans with MERV-13 filters. These fans must remain on and running through the duration of any meeting or program.
- 4) Food and beverages will not be served for Library programs and are not encouraged during any use.
- 5) The person in charge of a public group using the meeting space will be responsible for ensuring all meeting participants adhere to Library policy
- 6) Lower Level meeting room capacity will be capped at 25 individuals
- 7) Small group study space will be capped at two (2) individuals

If Washtenaw County is in the Low or Medium levels for viral spread:

- 1) Registration for in-person programs may be required. This will help the Library ensure adequate social distancing can be maintained.
- 2) Face coverings will be optional and will continue to be provided by the Library.
- 3) The Library has provided additional, in-room ventilation fans with MERV-13 filters. These fans must remain on and running through the duration of any meeting or program.
- 4) The person in charge of a public group using the meeting space will be responsible for ensuring all meeting participants adhere to Library policy.
- 5) Lower Level meeting standard room capacity will apply. Limited capacity has been suspended as of May 3, 2022, but may be reinstated if pandemic conditions worsen.
- 6) Small group study space standard capacities will apply. Limitations have been suspended as of May 3, 2022, but may be reinstated if pandemic conditions worsen.

The Library Board will continue to monitor the spread of COVID-19 on a monthly basis and will make changes to or repeal this policy as conditions warrant.
